Subject to certain exceptions, section 362 of the Bankruptcy Code operates as a stay of any act to obtain possession of property of the Debtors' estates or of property from the Debtors' estates or to exercise control over property of the Debtors' estates.

PLEASE TAKE FURTHER NOTICE that on November 10, 2008, the Debtors filed a motion seeking entry of an order pursuant to sections 105, 362, and 541 of the Bankruptcy Code establishing notice, hearing, and sell-down procedures for trading in equity securities and claims against the debtors' estates (the "Motion").

PLEASE TAKE FURTHER NOTICE THAT on November 13, 2008, the United States Bankruptcy Court for the Eastern District of Virginia (the "Court") entered an order approving the procedures set forth below in order to preserve the Debtors' net operating losses and certain other tax attributes ("Tax Attributes") pursuant to sections 105, 362, and 541 of the Bankruptcy Code (the "Order"). **Except as otherwise provided in the Order, any sale or other transfer of claims against or equity securities in the Debtors in violation of the procedures set forth below shall be null and void ab initio as an act in violation of the automatic stay under section 362 of the Bankruptcy Code.**

below) shall be null and void ab initio as an act in violation of the automatic stay under U.S.C. §§ 362 and 105(a) of the Bankruptcy Code.

Section 3. **Equity Securities.** The following procedures shall apply to trading in equity securities of Circuit City Stores, Inc. ("Circuit City"):

(a) Any person or entity (as defined in Treasury Regulations Section 1.382-3(a) for purposes of this Section 3) who currently is or becomes a Substantial Shareholder (as defined in Paragraph (e) below) shall file with this Court, and serve on counsel to the Debtors, a notice of such status, in the form attached hereto as Exhibit A-1, on or before the later of (A) twenty (20) calendar days after the effective date of the notice of entry of the Order or (B) ten (10) calendar days after becoming a Substantial Shareholder.

(b) At least thirty (30) calendar days prior to effectuating any transfer of equity securities (including Options to acquire such securities, as defined below) that would result in an increase in the amount of Circuit City Stock beneficially owned by a Substantial Shareholder or would result in a person or entity becoming a Substantial Shareholder, such Substantial Shareholder shall file with this Court, and serve on counsel to the Debtors, advance written notice, in the form attached hereto as Exhibit A-2, of the intended transfer of equity securities.

(c) At least thirty (30) calendar days prior to effectuating any transfer of equity securities (including Options to acquire such securities) that would result in a decrease in the amount of Circuit City Stock beneficially owned by a Substantial Shareholder or would result in a person or entity ceasing to be a Substantial Shareholder, such Substantial Shareholder shall file with this Court, and serve on counsel to the Debtors, advance written notice, in the form attached hereto as Exhibit A-3, of the intended transfer of equity securities (the notices required to be filed and served under Paragraph (b) and this Paragraph (c), each a "Notice of Proposed Transfer").

(d) The Debtors shall have thirty (30) calendar days after receipt of a Notice of Proposed Transfer to file with this Court and serve on such Substantial Shareholder an objection to any proposed transfer of equity securities described in the Notice of Proposed Transfer on the grounds that such transfer may adversely affect the Debtors' ability to utilize their Tax Attributes. If the Debtors file an objection,

such transaction will not be effective unless approved by a final and nonappealable order of this Court. If the Debtors do not object within such 30-day period, such transaction may proceed solely as set forth in the Notice of Proposed Transfer. Further transactions within the scope of this Paragraph must be the subject of additional notices as set forth herein, with an additional 30-day waiting period.

(e) For purposes of this Notice, (A) a "Substantial Shareholder" is any person or entity which beneficially owns at least 7,848,226 shares (representing approximately 4.75% of all issued and outstanding shares) of the common stock of ("Circuit City Stock"), and (B) "beneficial ownership" (or any variation thereof of Circuit City Stock and Options to acquire Circuit City Stock) shall be determined in accordance with applicable rules under Section 382 of the I.R.C., Treasury Regulations promulgated thereunder and rulings issued by the Internal Revenue Service, and thus, to the extent provided therein, from time to time shall include, without limitation, (i) direct and indirect ownership (e.g., a holding company would be considered to beneficially own all shares owned or acquired by its subsidiaries), (ii) ownership by such holder's family members and persons acting in concert with such holder to make a coordinated acquisition of stock, and (iii) an Option to acquire Circuit City Stock. An "Option" to acquire stock includes any contingent purchase, warrant, convertible debt, put, stock subject to risk of forfeiture; contract to acquire stock, or similar interest, regardless of whether it is contingent or otherwise not currently exercisable. For the avoidance of doubt, by operation of the definition of beneficial ownership in clause (B) of this Paragraph, an owner of an Option to acquire Circuit City Stock may be treated as the owner of such Circuit City Stock.

Section 4. **Claims.** The following procedures shall apply to trading in claims against the Debtors:

(a) Notice of 382(1)(5) Plan and 382(1)(5) Disclosure Statement. The Debtors shall, upon filing a disclosure statement with respect to a 382(1)(5) Plan (a "382(1)(5) Disclosure Statement"), simultaneously file with the Court and further publish and serve in the manner specified in Paragraph (j) below a separate notice ("Disclosure Statement Notice") in substantially the form attached as Exhibit B-1. The Disclosure Statement Notice shall (i) state that a 382(1)(5) Plan has been filed with the Court, (ii) disclose the most current estimate of the Threshold Amount and (iii) set a record

date, which shall be 5:00 p.m., Eastern Time, on the date set by the Court that is ten (10) business days prior to the date set for the hearing on the 382(1)(5) Disclosure Statement (the "Disclosure Statement Notice Record Date"). Each Beneficial Claimholder who holds more than the Threshold Amount (each, a "Substantial Claimholder") as of the Disclosure Statement Notice Record Date is hereby ordered and directed to email and fax to counsel to the Debtors a report in the form attached hereto as Exhibit B-2 (the "Initial Holdings Report") identifying: (I) the nature and amount of Claims held by such Beneficial Claimholder as of the Disclosure Statement Notice Record Date (the "Initial Holdings"); and (II) the Protected Amount that is in excess of the Threshold Amount. The Initial Holdings Report shall be subject to the confidentiality provisions set forth in Paragraph (i) below and shall be served in accordance with the preceding sentence no later than three (3) business days prior to the first date set by the Court for the hearing to consider the 382(1)(5) Disclosure Statement to the email addresses and fax numbers identified on the attached Exhibit B-2. In the event that the hearing to consider the 382(1)(5) Disclosure Statement is adjourned or continued, Substantial Claimholders shall not be required to amend or update their Initial Holdings Reports unless, in the event of an adjournment or continuance, the Debtors establish a new Disclosure Statement Notice Record Date and provides notice thereof, in which case the process above will re-commence.

(b) 382(1)(5) Disclosure Statement. The 382(1)(5) Disclosure Statement shall contain information adequate to permit a party entitled to vote on a 382(1)(5) Plan to determine whether a 382(1)(5) Plan provides greater value than possible alternatives and shall include, without limitation, the following disclosures: (i) the net present value of the projected tax savings of the 382(1)(5) Plan as compared to a 382(1)(6) Plan based on the financial projections included in the 382(1)(5) Disclosure Statement; (ii) a description of the restrictions on trading with respect to the common stock and any other securities of the reorganized Debtors (the "Affected Securities") that will be required or imposed under the 382(1)(5) Plan after the Effective Date to preserve such tax savings; (iii) the projected value of the Affected Securities in the aggregate; and (iv) the projected tax savings of the 382(1)(5) Plan as a percentage of the aggregate value of the Affected Securities. In addition, the Debtors shall promptly (and in any event before the end of the hearing on the 382(1)(5) Disclosure Statement) disclose on a separate filing with the SEC on Form 8-K (i) the aggregate amount of Initial Holdings (the

"Total Initial Holdings") and (ii) the estimated maximum amount and percentage of the Total Initial Holdings in each class that may be required to be sold down as provided below. Such disclosures shall be included in the final 382(1)(5) Disclosure Statement. The foregoing does not limit in any way the right of any party in interest to object to the adequacy of the information in the 382(1)(5) Disclosure Statement.

(c) Notice of Claimholder Acceptance of 382(1)(5) Plan. The Debtor shall file with the Court and further publish and serve in the manner specified in Paragraph (j) below, not less than ten (10) days prior to the commencement of the Confirmation Hearing, a notice (the "Pre-Confirmation Notice") substantially in the form attached hereto as Exhibit B-3, setting forth: (i) a record date, which shall be 5:00 p.m., Eastern Time, on a date that is ten (10) days prior to the first date set by the Court for the Confirmation Hearing (the "Pre-Confirmation Notice Record Date"); and (ii) identifying the most current estimate of the Threshold Amount (determined as of the Pre-Confirmation Notice Record Date). Each Beneficial Claimholder who is a Substantial Claimholder (as determined by the Threshold Amount identified in the Pre-Confirmation Notice) as of the Pre-Confirmation Notice Record Date is hereby ordered and directed to deliver, via e-mail and fax, a report in the form attached hereto as Exhibit B-4 (the "Final Holdings Report") identifying the nature and amount of claims held by such Beneficial Claimholder as of the Pre-Confirmation Notice Record Date (the "Final Holdings"). The Final Holdings Report shall be subject to the confidentiality provisions set forth in Paragraph (i) below and shall be served on counsel to the Debtors no later than the date that is three (3) business days prior to the first date set by the Court for the Confirmation Hearing to the e-mail addresses and fax numbers identified on the attached Exhibit B-2. For any Substantial Claimholder who did not serve an Initial Holdings Report, the Final Holdings Report shall also contain such Substantial Claimholder's Protected Amount that is in excess of the Threshold Amount. In the event that the Confirmation Hearing is adjourned or continued, Substantial Claimholders shall not be required to amend or update their Final Holdings Reports unless, in the event of an adjournment or continuance, the Debtors establish a new Pre-Confirmation Notice Record Date and provides notice thereof, in which case the process above will re-commence.

(d) Sell-Down Notice. If the Court confirms the 382(1)(5) Plan, the Debtors shall serve a notice substantially in the form attached hereto as Exhibit B-5 (the "Sell-Down

Notice") by overnight delivery service within the United States upon each Substantial Claimholder (as of the Pre-Confirmation Notice Record Date) within five (5) business days after the entry of the order confirming the 382(1)(5) Plan. The Sell-Down Notice shall (i) state that the 382(1)(5) Plan has been confirmed; (ii) contain the results of the calculations described in Paragraph (f)(i) below, including the calculation of the Maximum Amount and the information used to perform all such calculations to the extent that the Debtors are not required by the Order or other confidentiality restrictions to keep such information confidential; and (iii) provide notice that, pursuant to the Order, each Substantial Claimholder is ordered and directed to comply with the Sell-Down Procedures (set forth in Paragraph (f) below) before the Effective Date.

(e) Effective Date. The Effective Date of any 382(1)(5) Plan shall not be earlier than thirty (30) calendar days after the Confirmation Date.

(f) Sell-Down Procedures. If and only to the extent that a 382(1)(5) Plan is confirmed by this Court then, to the extent necessary to effectuate the 382(1)(5) Plan, each Beneficial Claimholder who is, as of the Pre-Confirmation Notice Record Date, a Substantial Claimholder (other than a Permitted Substantial Claimholder whose Claims shall not be required to be sold as part of the Sell-Down pursuant to Paragraph (f)(ii) below), is hereby ordered and directed to comply with the following sell-down procedures (the "Sell-Down Procedures"):

(i) The Maximum Amount. The Debtors shall calculate the maximum amount of claims that may be held, as of the Effective Date of the 382(1)(5) Plan, by a Substantial Claimholder that was a Substantial Claimholder as of the Pre-Confirmation Notice Record Date (the "Maximum Amount") as follows:

(1) Based upon the information provided by the Substantial Claimholders in the Final Holdings Reports, the Debtors shall calculate the total amount of claims that all Substantial Claimholders must sell to effectuate the 382(1)(5) Plan assuming that all Incremental Holdings will be sold prior to any Sell-Down of claims held by the Substantial Claimholders prior to the Disclosure Statement Notice Record Date and taking into account in its determination the portion of claims held by Substantial Claimholders that the Debtors reasonably conclude (based on evidence furnished by the

Substantial Claimholders) have not existed since a date that was 18 months before the Petition Date and that are not "ordinary course" claims, within the meaning of Treasury Regulations Section 1.382-9(d)(2)(iv) (the "Sell-Down Amount").

(2) If the Sell-Down Amount is less than or equal to the Total Incremental Holdings, the Debtors shall calculate the amount of each Substantial Claimholder's *pro rata* share of the Sell-Down Amount (*i.e.*, the Sell-Down Amount multiplied by a fraction, the numerator of which is the Substantial Claimholder's Incremental Holdings and the denominator of which is the Total Incremental Holdings);

(3) If the Sell-Down Amount exceeds Total Incremental Holdings, the Debtors shall calculate for each Substantial Claimholder the amount of such Substantial Claimholder's *pro rata* share of such excess (*i.e.*, the total amount of such excess multiplied by a fraction, the numerator of which is such Substantial Claimholder's Initial Holdings minus the Threshold Amount and the denominator of which is the Total Initial Holdings in excess of the Threshold Amount of all Substantial Claimholders) and add to that the amount of such Substantial Claimholder's Incremental Holdings; and

(4) For each Substantial Claimholder, the Debtors shall subtract from the total claims held by such Substantial Claimholder (as reported in the Final Holdings Report) such Substantial Claimholder's share of the Sell-Down Amount calculated in accordance with clauses (ii) or (iii) above, as applicable. The difference shall be the Maximum Amount.

(ii) Sell-Down. Prior to the Effective Date, each Substantial Claimholder shall sell an amount of claims equal to its share of the Sell-Down Amount or such other amount necessary so that no Substantial Claimholder shall, as of the Effective Date, hold claims in excess of the Maximum Amount for such claimholder (the "Sell-Down"); provided, however, that notwithstanding anything to the contrary in the Order, no Beneficial Claimholder shall be required to sell any claims if such sale would result in such Beneficial Claimholder having Beneficial Ownership of

an aggregate amount of Claims that is less than such Beneficial Claimholder's Protected Amount. Each Substantial Claimholder shall sell or otherwise transfer its claims subject to the Sell-Down to unrelated Entities; provided further that the Substantial Claimholder shall not have a reasonable basis to believe that such Entity would own, immediately after the contemplated consummation of such transfer, an amount of claims in excess of the Maximum Amount for such Claimholder.

(iii) Objections to Sell-Down Notices. A Substantial Claimholder who has complied with the notice procedures contained in this Section 4 may, no later than ten (10) calendar days from service of the Sell-Down Notice, object to the manner in which the Maximum Amount or the Sell-Down Amount specified in a Sell-Down Notice were calculated or on the grounds that such notice contained a mathematical error that would result in requiring the Substantial Claimholder to reduce its ownership below the Maximum Amount or the Protected Amount for such Substantial Claimholder. In connection with any such objection, the Substantial Claimholder shall disclose its holdings to counsel to the Debtors as of the time of the filing of the objection and as of the time of any hearing on such objection. The Debtors may serve a new Sell-Down Notice by overnight delivery service within the United States correcting such errors; any Substantial Claimholder required to sell additional claims as a result of such correction shall have twenty (20) calendar days from service of any new Sell-Down Notice to effect the additional Sell-Down.

(iv) Notice of Compliance. A Substantial Claimholder subject to the Sell-Down shall, before the Effective Date and as a condition to receiving Affected Securities, deliver to counsel to the Debtors, a written statement substantially in the form of Exhibit B-6 hereto that such Substantial Claimholder has complied with the terms and conditions set forth in Paragraph (f)(ii) and that such Substantial Claimholder will not hold claims, as of the Effective Date, in an amount in excess of the greater of the Maximum Amount or the Protected Amount (if any) for such Substantial Claimholder (the "Notice of Compliance"). Any Substantial Claimholder who

fails to comply with this provision shall not receive Affected Securities with respect to any claims in excess of the greater of such claimholder's Protected Amount or the then current Threshold Amount.

(v) Applicable Authority. For the avoidance of doubt, Section 382 of the I.R.C., the Treasury Regulations promulgated thereunder and all relevant Internal Revenue Service and judicial authority shall apply in determining whether the claims of several persons and/or Entities must be aggregated when testing for Substantial Claimholder status. For these purposes and except as specifically provided with respect to claims ownership in the Treasury Regulations, the rules and authority identified in the preceding sentence shall be treated as if they applied to claims in the same manner as they apply to stock.

(vi) Subsequent Substantial Claimholders. To the extent that any Entity becomes a Substantial Claimholder after the date in which Final Holdings Reports are due, the Court shall retain jurisdiction so that the Debtors may seek equitable relief similar to the relief described in the Order in order to protect the Debtors' ability to apply Section 382(1)(5) of the I.R.C.

(g) Claimholder Participation. To permit reliance by the Debtors on Treasury Regulation Section 1.382-9(d)(3), any Beneficial Claimholder that participates in formulating any chapter 11 plan of reorganization of or on behalf of the Debtors (which shall include, without limitation, making any suggestions or proposals to the Debtors or their advisors with regard to such a plan), shall not, and shall not be asked to, disclose (or otherwise make evident unless compelled to do so by an order of a court of competent jurisdiction or some other applicable legal requirement) to the Debtors that any claims in which such Beneficial Claimholder has a beneficial ownership are Newly Traded Claims (the "Participation Restriction"). For this purpose, the Debtors acknowledge and agree that the following activities shall not, where in pursuing such activities the relevant Beneficial Claimholder does not disclose (or otherwise make evident) to the Debtors that such Beneficial Claimholder has beneficial ownership of Newly Traded Claims, constitute a violation of the Participation Restriction: (a) filing an objection to a proposed disclosure statement or to confirmation of a proposed plan of reorganization; (b) negotiating the terms

of, or voting to accept or reject, a proposed plan of reorganization; (c) reviewing or commenting on a proposed business plan; (d) membership on the Creditors' Committee or other official or *ad hoc* committee; (e) providing information other than with respect to its claims to the Debtors on a confidential basis; or (f) taking any action required by the Order. Any claimholder found by the Court to have violated the Participation Restriction, and who, as a result, would prevent the Debtors from implementing a 382(1)(5) Plan, shall be required to dispose of Newly Traded Claims of which such Entity has Beneficial Ownership in the manner specified in Paragraph (f) (ii) above and shall be subject to the Forfeiture Remedy described in Paragraph (h) below.

(h) Sanctions for Noncompliance. If any Substantial Claimholder fails to comply with the Sell-Down applicable to it, such Substantial Claimholder shall not be entitled to receive Beneficial Ownership of any Affected Securities in connection with the implementation of the 382(1)(5) Plan with respect to any claims required to be sold pursuant to a Sell-Down Notice. Any Substantial Claimholder that violates the Order shall be required to forfeit the Affected Securities (the "Forfeiture Remedy"). The Debtors may seek to enforce the Forfeiture Remedy, on notice to the Entity upon whom such sanctions are sought to be imposed, on an expedited basis. The Debtors also reserve the right to seek from this Court, on an expedited basis, other sanctions or damages for a willful violation of the Order, on notice to the Entity upon whom such sanctions are sought to be imposed, including, but not limited to damages for loss of any tax benefits caused by such violation and any injunction or other relief necessary or appropriate to remedy such violation. Any distribution of Affected Securities pursuant to the implementation of the 382(1)(5) Plan that is precluded by an order enforcing the Forfeiture Remedy (the "Forfeited Equity") shall be void ab initio. Any Entity that receives Forfeited Equity shall, immediately upon becoming aware of such fact, return the Forfeited Equity to the reorganized Debtors or, if all of the shares properly issued to such Entity and all or any portion of such Forfeited Equity have been sold prior to the time such Entity becomes aware of such fact, such Entity shall return to the reorganized Debtors (a) any Forfeited Equity still held by such Entity and (b) the proceeds attributable to the sale of Forfeited Equity. Any Entity that receives Forfeited Equity and fails to comply with the preceding sentence shall be subject to such additional sanctions as the Court may determine. The

reorganized Debtors shall distribute any Forfeited Equity in accordance with the 382(1)(5) Plan.

(i) Confidentiality.
